PRINCIPAL’S MESSAGE
We are very excited to have been able to form a new Kindergarten class at the beginning of this week. Numbers in Kindergarten have been slowly growing since the beginning of the year. We now have three classes – KD - Miss Dielman, KB – Miss Bartsh and now KS with Ms Brennan.

Ms Brennan’s role as RFF teacher will now be taught by Mrs Hurt until the end of term one.

Thanks to the great work our NAIDOC committee do in our school all students will be attending ‘Snake Tails’ on Thursday free of charge.

It is very important when your child is away to send in a note to the classroom teacher as soon as possible. We are legally responsible to ensure that students are regularly at school and if not have a legitimate excuse.

First term reports will be sent home on the last day of this term. For those parents who are new to our school you need to know we provide reports in terms one and three as opposed to the traditional terms two and four. This enables us to make contact early in the year and also report in term three about directions that will be taken in term four in regards to your child’s learning.

A note was sent home last week in regards to parents/carers dropping off and collecting students in the staff car park. If you did not receive this information we are requesting that unless you have a disability permit it is not safe to use this area.

ANZAC DAY CEREMONY
We would like to encourage all students of our school to attend the Anzac Day Commemorative Service to be held in Batemans Bay on Friday, 25 April 2014. We will meet students in the Soldiers Club car park at 10.15am. The march begins at 10:35am. Students can be collected on the grass near the Honour Stone at the conclusion of the service. This is usually about 11:30am. All students are to be in full school uniform. This includes broad brim School hat. We encourage as many students as possible to attend the march. Thank you for your support.

Have a great holiday!

HEAD LICE
We have recently been informed of a number of students with headllice. Please check your child’s hair regularly and treat if necessary. Tips for parents in reducing the spread of head lice:
- Regularly check your children’s hair
- Tie back and braid long hair
- Keep a fine tooth head lice comb in the bathroom and encourage all family members to use it when they wash their hair.
As infestations are particularly common in primary schools, it is best to choose a treatment that can be used over time. There is no single solution to eradication, only persistence.
