PRINCIPAL’S MESSAGE
I am delighted to welcome Mr Graham Bugden to our school. Mr Bugden was successful in gaining the advertised position of Support Class Teacher and has joined the support team. I am sure that his specialist knowledge and extensive experience in this area will provide significant benefits for our students.

As usual, plenty happening this term. Reports go out at the end of this term. A huge amount of data is gathered during the year from an assessment schedule that teachers adhere to and this information ensures the report you receive is as accurate as possible. Of course it is important to discuss any concerns you may have with the class teacher and interviews can be readily arranged through the office early in term four.

LIBRARY NEWS
On Monday, 28 July, we have an author visit by Susie Sarah. Susie will be running workshops for all grades on writing techniques. Susie comes from Bermagui way and has written several children’s books. She recently had a book signing at “Hooked on Books” in Stocklands. I’m sure the children will gain lots of tips from her.

IMPORTANT: For those students doing the Premier’s Reading Challenge, you need to have completed your reading and return your sheet to me by Wednesday, 13 August. This will give me one week to catch up any late finishers and enter your books by the closing date.

Congratulations to Lily Sutton who finished the Premier’s reading Challenge in the holidays.
